

# Butler University

MASTER of SCIENCE in RISK and INSURANCE

## Advance in a Growing Industry

With the Butler MSRI, you'll gain the broad-based insurance and business skills to add value to any corporate team.

## Program Details

### PROGRAM TYPE

18 months, online, cohort-based

### IMPORTANT DATES

**Application review opens:** January 8

**Application final deadline:** July 30

**Core program start/fall in-residence experience:** August

### FEES

\$950 per credit hour,  
plus \$1,660 program fee

*Students will also be responsible for some expenses related to the in-residence experiences.*

## PROGRAM BENEFITS

The Butler MSRI program will prepare graduates to:

- Apply specialized topics exclusive to risk and insurance to business risk situations, including property and casualty, employee benefits, and insurance-linked securities.
- Use current and emerging tools to assess, analyze, and formulate appropriate approaches to minimize and mitigate the potential cost of risk.
- Develop risk management and insurance solutions using advanced data analytics methods, communication strategies, and professional and ethical decision-making standards.
- Demonstrate managerial capabilities by applying financial management, team management, and leadership skills.

## IN-RESIDENCE EXPERIENCES

The Butler MSRI program includes two required in-residence experiences that occur at the beginning and end of the program. Each August, a new MSRI cohort will start the program on the beautiful Butler campus. During the multi-day experience, students will see Butler's state-of-the-art facilities, participate in sessions led by nationally recognized faculty, and network with top executives from Indianapolis insurance firms. Through a Capstone Experience at the end of the program, students will have the opportunity to apply what they learned by solving a real-life business problem for a firm, and also network with some of the best insurance leaders in the world.

RISK and INSURANCE

# Why Butler's MSRI Program?

HEAR IT FROM OUR ALUMNI.

*"In my mind, returning to academics and obtaining a Master's in Risk and Insurance really tied my knowledge base together. It opened doors and further sharpened my knowledge and abilities. I also completed coursework as part of the degree that counted towards earning the CRM, CPCU, and ACI designations."*

Nathan Logan,  
MSRI, CRM, CIC, CISR, ACSR  
Risk Management  
Expertise Specialist  
Amerisure Insurance

*"I felt like I was missing the fundamentals of my role: contract negotiations, renewal strategies, and basic accounting. When I saw the Butler program, I thought, 'this is exactly what I need.' It's a comprehensive course of everything you could touch as a risk manager and a crash course in insurance."*

Jen Blair, MSRI, MBA  
Global Risk and  
Insurance Manager  
Bose Corporation

*"I am a self-proclaimed insurance nerd. That term is becoming more and more popular as people seek out degrees and specializations in insurance. I eat, sleep, and drink insurance. Butler presented an opportunity to be amongst and learn from my kind. I liken it to my very own Comic Con."*

Tabitha Richardson,  
MSRI, CRM, CIC, CRIS, ACSR  
National Learning and  
Development Manager  
Marsh McLennan Agency
